Frequently-Asked Questions (FAQs)

1) How do the students exercise their streaming options?

Students will log onto the school FCS e-mail to exercise their options. A briefing will be conducted for the students in October to provide the technical details.

2) What happens if a student does not exercise his/her online option during the required period?

The student shall forfeit his/her chance to exercise his/her option. The school shall allocate the student's class and subject combinations based on his/her merit and the availability of the course.

Frequently-Asked Questions (FAQs)

3) If a student is not allocated the combination/elective of student's choice, can an appeal be made?

Yes, an appeal can be made within the stated appeal period.

The success of the appeal depends on the student's merit, specific subject criteria and the course vacancy.

Frequently-Asked Questions (FAQs)

- 4) Is Additional Mathematics a compulsory subject for admission into JC or Polytechnic?

JC: Students without Additional Math usually offer A-Level H1 Math.

Additional Math is an assumed knowledge for A-Level H2 Math, however, different JCs have different criteria in offering H2 Math.

Polytechnic: Additional Math is not compulsory for Polytechnic courses.

For courses which require Math as one of the relevant subjects, the subject can be either Elementary Math or Additional Math.

6. Role of School, Parents and Students

- Joint partnership between parents and school to enable our students to excel

6. Role of School

The school provides an optimal learning experience for your child through:

Monitoring attendance and learning behaviour.

Providing appropriate consultation and supplementary lessons.

Informing Parents/Guardians of school events and matters through School Home-Link, Parents Gateway and school website.

Informing Parents/Guardians of child's progress through progress reports.

Who to seek help from if you have queries

- GPs (email addresses of GPs can be found on our school website)
- Supporting Personnel
- Subject teachers
- IP HODs

6. Role of Student

“Diligent and seek to excel”

Uses of handbook:

- Record homework
- Important dates
 - Weighted Assessment
- Student Timetable
- Work with school and parents
